SUBJECT: Short Term Confidentiality & IEEE BOOTH #620

Hi,

1. The FCC has released new short term confidentiality rules. You can get a copy of the Public Notice DA 04 1705 from our website, "NEW SHORT TERM CONFIDENTIALITY, DA 04 1705".

There will be no additional charge for doing this with an initial application, but there will be an additional fee if you request an extension.

2. Please, come and visit us at the IEEE INTERNATIONAL SYMPOSIUM ON ELECTROMAGNETIC COMPATIBILITY **August 9-13, 2004** – Santa Clara, CA. **Our BOTH # is 620.**  
You will have the chance to participate in drawings, as we will be giving some **Free and Discounted** Certification reviews for FCC, IC, and Notify Body Opinion filings for new and existing customers, as well as Discounted Testing Services on your next job. We are looking forward to seeing you there.

If you would like to be removed from this list let me know.

Best Regards,  
Sid Sanders
